Introduction

The provision and management of Council controlled parking in South Tyneside is a very important function undertaken by the Council. Parking can be the subject of intense public interest including attracting both local and national media. The Council's primary aims related to parking management are to support the economic activity and viability of South Tyneside's town centres and other local shopping areas and to reduce congestion in the interests of all highway users.

Up to the 30th March 2008 South Tyneside Council operated parking enforcement under the Decriminalised Parking Enforcement (DPE) legislation in accordance with The Road Traffic Act 1991. From the 31st March 2008 the Council has operated parking under the Civil Parking Enforcement legislation in accordance with the Traffic Management Act 2004.

The Traffic Management Act 2004 states that Enforcement Authorities should produce an annual report about their enforcement activities. The report should be published and as a minimum it should cover the financial, statistical and other data (including any parking or CPE targets). This report describes these parking and other related activities undertaken by the Council.

The Council's transport priorities are to improve safety, accessibility and air quality and to reduce congestion. Parking facilities and the way they are used contribute to achieving these priorities, and it is important therefore that they are appropriately managed and controlled.

The rationale behind this report is that it helps to make it clear that the council is operating the scheme satisfactorily and more openness enables the public to see that this is the case, which in turn helps to increase the public's understanding of civil parking enforcement at a local level.

Parking Enforcement Charter

The Council has produced a parking enforcement charter entitled "Guidance on Parking in South Tyneside" which includes useful information for motorists about traffic signing and the circumstances in which a Penalty Charge Notice (PCN) may be issued and what to do if you are issued with one. The amount of observation time that civil enforcement officers give before a PCN is issued is included and the charter also provides guidelines for appeals staff to follow when representations are received from motorists who have received a PCN. To ensure fairness and consistency all appeals are considered on their own merits. The Council's Parking Enforcement Charter can be viewed on line at:

http://www.southtyneside.info/search/document_view.asp?mode=8&pk_document=17715

The Council's approach to parking enforcement is to be fair but firm and the parking enforcement charter outlines how we intend to deliver the best possible service to motorists.

Enforcement

Enforcement of waiting and loading restrictions and parking places is undertaken across the whole of the borough. The borough is patrolled through 7 enforcement beats as follows:

- 4 are deployed in South Shields area
- 1 in Hebburn / Jarrow,
- 1 in Boldon,
- 1 in Whitburn,

The Council operated parking enforcement under the Decriminalised Parking Enforcement legislation in accordance with The Road Traffic Act 1991 from the 1st February 2007 up to the 30th March 2008.

On 31st March 2008 in accordance with government legislation, the relevant provisions of the RTA 1991 were repealed and part 6 of the Traffic Management Act 2004 (TMA) and the associated regulations introduced Civil Parking Enforcement (CPE). The provisions for CPE largely replicated and updated the arrangements for DPE.

CPE introduced some changes in terminology and differential parking penalties (higher and lower charges) are now applied depending on the seriousness of the contravention. For example, parking in a place where it is always prohibited, such as on double yellow lines, is considered to be more serious than overstaying where parking is permitted, such as in a parking place. The current levels in South Tyneside of higher and lower charge are £70 and £50 respectively.

The police remain responsible for endorsable offences such as dangerous parking, obstruction, failure to comply with police “no parking” signs placed in emergencies, and any vehicle where security or other traffic policing issues are involved, including the need to close roads or set up diversions.

Frequency of Patrols

South Shields town centre is where most congestion occurs and we aim to make three visits to each location in the morning and the afternoon. Other areas such as primary routes into the borough and local shopping centres are visited twice during a morning and afternoon with other areas on a lesser and “as and when” basis. Car parks are patrolled at regular intervals throughout the day.

Staffing Levels

The Council’s Parking Team establishment consists of:

No of Staff	Job Title
1	Parking Services Manager
1	Parking Officer
2.5	Parking Appeals Assistant

Parking Enforcement Team establishment consists of:

No of Staff	Job Title
3	Civil Enforcement Officers (April - December)
10	Civil Enforcement Officers (January - March)

Each Civil Enforcement Officer (CEO) undergoes a minimum 10 days of training to achieve the required standard for Civil Enforcement Officers and then “shadows” a more experienced staff member until they are familiarised with their role and management is satisfied that an appropriate level of competency is established. The Council encourages parking staff to be customer focussed.

CEO’s are suitably uniformed and are equipped with a mobile radio that keeps them in constant contact with their operations base. They have electronic handheld equipment that can issue a PCN via a printer. They also have a camera to record photographic evidence.

Types of Contraventions

There are over 70 contraventions that could be enforced depending on what is contained within relevant traffic regulation orders. These range from enforcing yellow lines on the streets to vehicles being parked outside bay markings in a car park.

Most Common Contraventions

The most common contravention code is 12 for being parked in a residents or shared use parking place or zone without clearly displaying either a permit or voucher or pay & display ticket issued for that place. (Approximately 21% of PCN's issued). Other most repeated types of contravention are also shown below;

Contravention Code	Contravention Description	% of Overall PCN Issue
12	Parked in a residents or shared use parking place or zone without clearly displaying either a permit or voucher or pay & display ticket issued for that place.	20.72%
82	Parked after the expiry of paid for time.	13.25%
01	Parked or loading/unloading in a restricted street during prescribed hours.	12.22%
83	Parked in a car park without clearly displaying a valid pay & display ticket or voucher or parking clock.	12.20%
30	Parked for longer than permitted.	6.17%

Penalty Charge Notices

A Penalty Charge Notice may be issued for any vehicle parked in contravention of the parking and waiting restrictions. For 2014/2015 the values of a Penalty Charge Notice were either £70 or £50 depending on the severity of the contravention, discounted by 50% if paid within 14 days from the date of issue.

During the period 1st April 2014 to 31st March 2015 the Council issued 4,001 Penalty Charge Notices and from that number 760 notices were cancelled as a result of informal challenges and formal representations.

The Income generated from PCN's for the same period was £93,440.30.

Observation Periods

Civil Enforcement Officers are given guidance on what the minimum length of observation time that vehicles must be given before a PCN can be issued. The electronic handset is set up such that the minimum period of time must elapse before it will issue a PCN. The observation periods are included in the Council's Parking Enforcement Charter.

Mitigating Circumstances

Staff who deal with the appeals have a framework that provides guidance on how to deal with the various contraventions to ensure fairness and consistency and all appeals are considered on their own merits. A list of mitigating circumstances is included in the Council's Parking Enforcement Charter.

Appeals Process

If after a period of 28 days the amount owed remains outstanding the Council obtains the registered keeper's details from the DVLA at Swansea and sends out a "Notice to Owner" (NtO) to the registered keeper. Regardless of who was driving at the time it is the registered keeper who is responsible. The notice requests the registered keeper to either pay the outstanding amount or challenge the issue of the PCN. At this stage the opportunity to pay the discounted sum is no longer available.

If the Council and the registered keeper cannot agree then an appeal can be made by the appellant to the Traffic Penalty Tribunal (TPT), formerly the National Parking Adjudication Service (NPAS), which is an adjudication service made up of qualified solicitors with a minimum 5 years experience in road traffic law. They are independent of the Council and arrive at decisions based on evidence placed before them. Appeals can be made in person at a tribunal, by post or via a telephone hearing using conferencing equipment.

Cancellations

Cancellations Due to Appeal

All appeals must be made in writing detailing their mitigating circumstances. Because the Council adopt a firm but fair approach, appeals are considered on their own merits and inevitably there are a number of cancellations for various reasons. Approximately 19% of PCN's were cancelled due to an appeal being received, 5.35% were written off and 11.64% are still outstanding. It is important that the decisions which are made are consistent, supported by firm evidence, not only to assist the notice processing staff to arrive at the correct decision but also to confirm to the Council's auditor that we are operating a fair, proportionate and consistent regime.

The most frequent reasons for cancellations are as follows:

Reason for Cancellation	No Cancelled of Total Tickets Issued	%
Valid Ticket Produced	167	4.17%
Mitigating Circumstances	155	3.87%
Blue Badge Holder	98	2.45%

PCN's Written Off

Reason for Cancellation	Number of PCN's Written Off of Total Tickets Issued	%
Driver Untraceable	91	2.27%
Processing Error/ Spoilt	84	2.10%
Machine Fault	35	0.88%
Foreign Vehicle	4	0.10%

Recovery of Debts

If the registered keeper fails to pay the outstanding charge it will ultimately be referred to the Traffic Enforcement Centre at Northampton County Court and the outstanding charge is registered as a debt to the Council and thereafter bailiffs may be employed to recover the debt. In 2014/15 283 warrants were issued from the 4,001 tickets issued. The current status of the 283 warrants issued is as follows;

%	Current State
23.05%	Pending
35.24%	Paid
41.71%	No Trace

The Joint Report of the Parking Adjudicators for England and Wales 2014/2015 - Statistical Information

The report provides statistical information on every authority outside of London that had adopted decriminalised parking enforcement, now called civil parking enforcement with effect from the 31st March 2008.

South Tyneside Council Appeals Statistics;

The following table shows figures taken from the Councils involved in Civil Parking Enforcement (April 2014 to March 2015).

These figures are purely based on Appeals made to the independent body known as the Traffic Penalty Tribunal.

Authority	Number of Cases	Allowed by Adjudicator	Total Allowed Including Not Contested by Council	Refused by Adjudicator Including Out of Time and Withdrawn by Appellant	Awaiting a decision by TPT
All Councils	* National statistics not available at time of print				
South Tyneside	16	4 (25%)	4 (25%)	3 (18.75%)	9 (56.25%)

The above table shows figures provided by the Traffic Penalty Tribunal.

Of the 4,001 Penalty Charge Notices issued for parking contraventions in On-street and Off-street locations in South Tyneside during April 2014 to March 2015, only 16 cases reached the point of formal appeal.

3 of these cases were refused by the Adjudicator, finding in favour of the Council.

The TPT allowed 4 of the appeals, with the adjudicator deciding in favour of the appellant.

The Council have 9 appeals lodged with the TPT awaiting a decision.

The Parking Adjudicators for England and Wales recommends an Authority to publish in its Annual Report information relating to 10 specific statistics.

These are attached as annexe 1 to this report.
