27 October 2023

Dear South Tyneside Borough Council

Application for Definitive Map Modification Order
Alleged Public Footpath – Long Row, South Quays, South Shields

We refer to the above matter where, as you know, we are instructed by objectors to the proposed DMMO.

We enclose a copy of the Objector's Submissions settled by leading Counsel. The Bundle referred to in the Submissions has been loaded onto the Sharefile the details of which we shared with you by email on 26 October. The Submissions themselves will also be loaded onto that Sharefile.

We are happy to provide hard copies of the Submissions and the Bundle but that will not be possible until Monday's post. Please let us know whether you also require copies of the authorities referred to in the Submissions.

We would be grateful if you could acknowledge receipt and let us know when the Council proposes to consider making an order in this matter, or what other procedural steps and / or consultations you propose to undertake.

Yours faithfully
