NOTES:

This proposed scheme for Laygate is to create a greater turnover of parking, while giving business owners and residents peace of mind that they will have priority of parking and be allowed to leave their vehicle all day without the concern of receiving a Penalty Charge Notice (PCN).

While some of the yellow line restrictions, disabled bays, and loading bays are present already - this is a genuine consultation where we wish to gather the thoughts and concerns of all residents and businesses as to what they would prefer / be in favour of.
