SCHEDULE 14 APPEAL FORM & APPLICATION FOR LONG ROW, SOUTH SHIELDS

TITLE OF PATH: Adding the footpath, named the King Charles III England Coastal Path, section SBA-1-S031 ("KCIIECP") which forms part of a long-distance national trail from Long Row NZ35965 67478 to Wapping Street NZ35933 67745

To Whom this may concern,

I submit this appeal on behalf of Friends of Market Dock Pathway regarding the DMMO application which was submitted to South Tyneside Council on the 25th of July 2022.

South Tyneside Council sent us a notice declining to make the order on the 16th of July 2024 and we hereby submit our Definitive Map Appeal Form, within the required 28-day period.

Despite the DMMO hearing taking place on the 15th of July 2024 the council have also withheld all of our evidence and told us we will not get it back anytime soon, and certainly not within the 4-week deadline to appeal against their decision to deny the order?

 who was handling our direction request on behalf of the planning inspectorate has advised us *"If you do wish to make an appeal, you can complete and submit the attached appeal form (within 28 days of 15 July), so that your appeal can be registered. We would then give you a reasonable length of time (8 weeks) in which to obtain & provide the supporting evidence to this office."*

I hope these documents are all that are required for now to submit our appeal. Please let us know if you require any further information.

We thank you for all your support and look forward to hearing from you soon.

Kind Regards
