Dear [Redacted]

Thanks for your recent email. If you can please let us know as soon as possible when the appeal documents are available to view both online and in person so we can let the members of the Market Dock Residents Association, and the supporters of the Friends of Market Dock Pathway know. Are the documents redacted and will the evidence include your internal communications, and undisclosed research?

Will the council also be notifying the 82 people who originally provided witness statements as a person of interest in writing?

Finally, do the council propose conducting a hearing, and/or speaking to people and in particular those who submitted statements by letter whose evidence was disregarded?

Many thanks in advance for your response.

Kind Regards
